Antonina Knopf brings with her a wealth of experience in Continuing Medical Education symposiums, specifically in the areas of technology and development. She has over 17 years of expertise in business development, contract negotiations and project management.

Founded by Antonina Knopf, Mocer Management began in 1999 as an event planning organization covering the corporate, financial and medical sectors. Since its inception, Mocer Management has grown 100-fold in all aspects of event management, building revenues in excess of \$1.75 million in 2005.

She is a member of the National Association of Women Business Owners, American Heart Association and Meeting Professionals International. She also gives back to her community as a co-chair of Georgia Transplant Foundation's annual fundraising event.
